Dear Sir or Madam,

The American Legion Holly-Riddle Post 21 of The Colony in conjunction with TCHS JROTC Cougar Battalion will be hosting the American Legion Texas State Championship Skills Meet (a drill competition) in February 2010.

At this year's Meet, held on February 21st, there were over 400 participants from area high schools including Mesquite, Waco, Fort Worth, Dallas and Mansfield as well as battalions from Oklahoma and Louisiana. In addition to the over 400 cadets and cadre, there were 30 American Legion Post 21 members and over 50 TCHS volunteers who contributed to time and skills for the 2009 Meet.

With the success of this year's meet we already have commitments from those who participated and have received inquiries from other battalions expressing interest in participating in the 2010 Skills Meet.

The proceeds from the Meet will towards the daily operations of the JROTC Cougar Battalion at TCHS as well as providing scholarships to the outstanding cadets from the Battalion.

Our goal is for this event to become the premiere Skills Meet in the state of Texas as well as the entire SW region of the U.S.

We are contacting you to respectfully ask you to join us in achieving this goal by becoming a sponsor of the American Legion Texas State Championship Skills Meet to be hosted at The Colony High School the weekend of February 20th, 2010 under the leadership of LTC (R) William A. White of the Cougar Battalion.

I have enclosed a CD containing 92 photos of this year's event, which I hope you will enjoy and give you a better understanding of what we are supporting.

For more information or to set an appointment, please contact me anytime.

Thank you in advance for your time and consideration.

Sincerely,

Bill Longo
